Is this course for me?

Nervous about teaching languages? The interactive whiteboard can be a great support to those who are less confident about teaching a foreign language, and is a creative way to enthuse your class. For teachers with limited experience of interactive whiteboards and also for more experienced users to introduce innovative new ideas and techniques.

Course director

Wendy Adeniji

Wendy is a consultant for BBC Education, CILT, the QCA and several local authorities, specialising in training teachers of primary Modern Languages. She teaches French in a primary school, delivers regular training to LAs and schools and speaks regularly at Primary Regional Support groups. She produces teaching materials for BBC Education and Heinemann.
